ADDENDUM TO PERMIT APPLICATION

WETLANDS INDEMNIFICATION NOTE:

There shall be no encroachment within wetland areas.

By issuance of this permit and or the approval of this plan, the Township of Moore and the Zoning Officer has never confirmed or denied the existence and or the extent of any wetland areas, whether or not delineated on the said plan.

Any encroachment thereon for any reason whatsoever shall be the sole responsibility of the applicant and or developer, contractor etc. his heirs and assigns and shall be subject to the jurisdiction of the Army Corps of Engineers and or the Pennsylvania Department of Environmental Protection, and the said encroachment shall conform to the rules and regulations of all jurisdictional agencies.

I/We have read the above required zoning regulations and hereby agree to comply with them as condition of this permit.

**MOORE TOWNSHIP
NORTHAMPTON COUNTY, PENNSYLVANIA**

ORDINANCE NO. 2015-02

**AN ORDINANCE OF THE MOORE TOWNSHIP BOARD OF
SUPERVISORS WHICH PROVIDES THAT NO ENTITY MAY
MODIFY, ALTER OR EXCAVATE A TOWNSHIP ROAD OR
RIGHT-OF-WAY WITHOUT FIRST OBTAINING A HIGHWAY
OCCUPANCY PERMIT FROM MOORE TOWNSHIP.**

BE IT ENACTED AND ORDAINED, AND IT IS ENACTED AND ORDAINED by authority of Moore Township, Northampton County, Pennsylvania, through its Board of Supervisors and it is hereby **ENACTED AND ORDAINED**, as follows:

SECTION 1. No person, entity or corporation shall alter (including, but not limited to, landscaping), construct, excavate, blacktop, pave or repair any Township road or right-of-way without first securing a Highway Occupancy Permit from Moore Township.

SECTION 2. Applications for a Highway Occupancy Permit shall be submitted to Moore Township in writing on a form provided by Moore Township. Said application shall include a Plan depicting any and all construction and/or alteration including paving which the applicant intends to undertake on the Township road or right-of-way. The Moore Township Public Works Director may require additional information before issuing a Highway Occupancy Permit to the applicant.

SECTION 3. Each application submitted shall be accompanied by the required Highway Occupancy Permit fee established annually by Resolution by the Moore Township Board of Supervisors, together with any additional information required by the Director of Public Works or other designated Township official at the time the submission of application is made.

SECTION 4. Before Moore Township may issue a Highway Occupancy Permit in accordance with this Ordinance, the applicant may be required to enter into a Road Restoration Agreement. If a Road Restoration Agreement is required, it must be secured by a Bond in an amount to be determined by the Moore Township Director of Public Works in consultation with the Moore Township Engineer. The amount of the Bond shall be determined by a good faith estimate. While 67 Pa. Code Ch. 189 may be used as a guide to determine the amount of the Bond, that Code Section shall not be controlling if the Township Engineer and Director of Public Works, after inspection and upon review of the Highway Occupancy Permit Application determine that an amount in excess of those amounts set forth in the Pa. Code is necessary.

In all cases the applicant is responsible for the restoration of the work area within the right-of-way or cartway using like materials and shall restore the same to the pre-construction condition (or as close as possible) or as directed by the Public Works Director. In addition, the applicant is responsible for its care for one (1) year from the date of work completion. Failure to do so can result in the Township performing the work and billing the applicant.

SECTION 5. After a Highway Occupancy Permit is issued to the applicant, the applicant shall insure that any and all local, State and Federal regulations relating to road safety shall be strictly complied with.

SECTION 6. The Director of Public Works shall maintain a record of all such Highway Occupancy Permits issued, and a copy of said Highway Occupancy Permits shall be furnished upon request to any person having a proprietary interest in the work undertaken pursuant to the Highway Occupancy Permit.

SECTION 7. In the event of default, the Township may draw upon the Bond in order to correct any defects and/or work which was improperly completed by the applicant.

SECTION 8. Any person violating any of the provisions of this Ordinance shall, upon conviction thereof, pay a penalty of not less than \$500.00 nor more than \$1,000.00, and upon default of payment of the penalty and costs of prosecution, the person convicted may be committed to the County prison for a period not to exceed thirty (30) days.

SECTION 9. In the event work or construction activities occur in violation of this Ordinance, Moore Township, in addition to other remedies, may initiate any appropriate action or proceedings in order to prevent such unlawful construction, to restrain, correct or abate such violation or prevent the continued occupancy on Township roadway.

SECTION 10. Severability. In the event any provision, section, sentence, clause or part of this Ordinance shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Ordinance, it being the intent of the Township that such remainder shall be in full force and effect.

SECTION 11. Repealer. All Ordinances or parts of Ordinances inconsistent herewith are hereby and the same repealed.

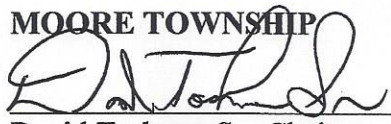

SECTION 12. This Ordinance shall become effective five (5) days after enactment.

ENACTED AND ORDAINED this ^{7th} day of April, 2015.

ATTEST

Secretary

MOORE TOWNSHIP

David Tashner, Sr., Chairman
Board of Supervisors
