## PARK RESERVATION POLICY & LEASE AGREEMENT

Moore Township provides various Park and Recreation facilities throughout the Township for the use and enjoyment of its residents. It is the goal of the Township to make the facilities available for use by organizations and individuals for non-profit recreational purposes. The Township's Parks are open to the public. Individuals and groups may reserve the use of facilities.

- A. General Information: To rent a facility, organizations and individuals are required to complete an application form and pay the appropriate fee. Moore Township reserves the right to allocate rental time based on the number of requests and the time requested. Moore Township reserves the right to disapprove permits if it is determined facilities are deteriorating because of overuse. Applicants must be 21 years of age or older and be authorized by their organization (if applicable) to sign a reservation agreement. When the planned activity is primarily for people under 21 years of age, the person signing the reservation agreement will be responsible for providing adult chaperones for each group of 10 youth under the age of 21.
- B. Rules: The organization or individual requesting use of the facility will follow all rules stated in this form and that are posted at the facility.
- C. Liability: The individual or organization requesting use of the field/facility hereby releases the Township from any liability whatsoever and waives any claim they/it may have had, has or could have had against the Township from any injury or illness that may occur during its use of the fields or facility.
- D. Damages: Any and all damages to the facilities, equipment, and other Moore Township property, while being used by the renter, will be the responsibility of the renter and payable, in full, to Moore Township. Moore Township reserves the right to decline renting to entities or persons who have caused damage to Moore Township facilities.
- E. Fees:
  - a. All fees are payable in full of the submission of an Application for Facility Use Form.
  - b. Security deposits are fully refunded with the following restrictions:
    - i. If, in the opinion of the Land and Environmental Protection Board there has been any damage or misuse of the Township property, or if the facility was used for a purpose other than that specified on the permit, the responsible party or group will be assessed for the cost of repairs and cleanup, and the loss of future use of any Township facilities. The financial liability is not limited by the security deposit.
    - ii. Any violations of the Park Rules and Regulations as enumerated will result in additional penalties as specified.

The individual signing this lease agreement and the accompanying permit is responsible for ensuring that all policies included in the Park Reservation Policy and Lease Agreement are followed.
